*Dear Folks at DeBell,*

*Just a short note to let you know how much we love our new windows. Sierra Pacific Power just recalculated our average monthly billing for this year and the payments will be about \$50 less per month! That's approximately \$300 per year savings as well as the "green" implications of using less energy. Thank you!*

*A special thanks to Sean, Leslie, and the men who came out to install the windows.*
